

Linkin Park, Qwerty

Your Lies!

Yeah

I didn't think that I had a debt to pay
Until they came to take what I had left away
You said you wouldn't put me to the test today
But I remember you saying that yesterday
There was a time when your mind wasn't out of control
Every memory and confession pouring out of your soul
Like these simple thoughts, you swallow them whole
Another lie, hard to follow, they follow you home
And like that
(Broken down, a victim of your...)

Lies

You hide behind lies
You don't know why
You crossed the line
Wrapped up inside,
Your Lies
You hide behind lies
You're lost inside that cold disguise
Behind your lies...

Hard to know what you thought I might say
Seems like we never would talk the right way
Every other minute I'm far from my place
A job without pay, I thought you might say
So, I'm guessing that you probably know
When your insides hollow then you ought to be cold
Like the pure thoughts you stole, it's going to swallow you whole
Another lie, hard to follow, it followed you home
And like that
(Broken down, a victim of your...)

Lies

You hide behind lies
You don't know why
You crossed the line
Wrapped up inside,
Your Lies
You hide behind lies
You're lost inside that cold disguise
Behind your lies...

You're faking, you're mistaken
If you think that you can climb out of this hole
Forsaken, what would take me
Everything about my knowing soul
Broken down, a victim of your lies
You hide behind lies
You don't know why
You hide behind lies
You don't know why
You hide behind lies
You don't know why
You hide behind...
Wrapped up inside

Your lies

You hide behind lies
You don't know why
You crossed the line
Wrapped up inside,

Your Lies
You hide behind lies
You're lost inside that cold disguise
Behind your lies
