

# Linkin Park, Skin To Bone

Skin to bone, steel to rust  
Ash to ashes, dust to dust  
Let tomorrow have it's way  
With the promises we made  
Skin to bone, steel to rust  
Ash to ashes, dust to dust  
Your deception, my disgust  
When your name is finally drawn  
I'll be happy that you're gone  
Ash to ashes dust to dust

Uh-uh-uh  
Ash to ashes, dust to dust  
Uh-uh-uh  
Skin to bone and steel to rust

Right to left left to right  
Night to day and day to night  
As the skylight fades to gray  
I'll be watching far away  
Right to left and left to right

Uh-uh-uh  
Ash to ashes, dust to dust  
Uh-uh-uh  
Skin to bone and steel to rust

Let tomorrow have it's way  
With the promises betrayed  
Skin to bone and steel to rust  
Skin to bone and steel to rust  
Skin to bone and steel to rust
