

# Linkin Park, Super Xero (By Myself)

What do I do to ignore what's behind me?  
Do I follow my fate and escape blindly?  
Do I hide my pride away from these bad dreams  
And give into sad thoughts that are maddening?  
Do I let it go and try to stand it?  
Or do I try to catch them redhanded?  
Do I trust some and get fooled by phoniness?  
Or do I trust nobody and live life in loneliness?

The sunlight burns the skin of sleeping men  
I make the right turns but I'm lost within  
I put on my daily faade but then  
I just end up gettin' hurt again

[pre-chorus:]  
By myself (Myself)  
I ask why (but in my mind I find)  
I can't rely on myself (Myself)  
I ask why (but in my mind I find)  
I can't rely on myself

[chorus]:  
I can't hold on  
To what I want when I'm stretched so thin  
It's all too much to take in  
I can't hold on  
To anything watchin' everything spin  
With thoughts of failure sinking in

If I turn my back I'm defenseless  
And to give in to fate seems senseless  
If I hide my pride and let it all go on  
Then they'll take from me 'til everything is gone  
If I let them go I'll be outdone  
But if I try to catch them I'll be outrun  
If I'm killed by the questions like a cancer  
Then I'll be buried in the silence of the answer...

[pre-chorus and chorus]

How do you think  
That I've lost so much  
I'm always afraid  
That I'm out of touch  
How do you expect  
That I will know what to do  
When all I know  
Is what you tell me to

Don't you (know)  
I can't tell you how to make it (go)  
No matter what I do, how hard I (try)  
I can't seem to convince myself (why)  
I'm stuck on the outside  
[x2]

[chorus]

I can't hold on  
To what I want when I'm stretched so thin  
It's all too much to take in  
I can't hold on  
To anything watchin' everything spin  
With thoughts of failure from with...(in)
