

# Linoleum, Twisted

I should warn you, keep away  
I'm seeing things in a twisted way,  
Anyway,  
And tonight,  
I'll be a nightmare.

I see your face in a different light  
Tonight

Laughter passes me by  
Talk goes over my head  
Think I should we avoid us  
Why don't you avoid me,  
Anyway

I don't want to know the time  
Things that excite me  
Don't seem such fun today

Laughter passes me by  
Talk goes over my head  
Think I should we avoid us  
Why don't you avoid me,  
Anyway

I'm seeing things in a twisted way
