Linoleum, Twisted

I should warn you, keep away I'm seeing things in a twisted way, Anyway, And tonight, I'll be a nightmare.

I see your face in a different light Tonight

Laughter passes me by Talk goes over my head Think I should we avoid us Why don't you avoid me, Anyway

I don't want to know the time Things that excite me Don't seem such fun today

Laughter passes me by Talk goes over my head Think I should we avoid us Why don't you avoid me, Anyway

I'm seeing things in a twisted way
