

# Lion's Share, Arabia

Desert wind blowing hard seeking  
Shelter try to hide  
On the run, got to make it, blinded  
By the dust  
That that fills my eyes  
On the move, without water, defying  
The demon star  
How long can i take it, how far  
Can i go...

Feel so alone now as the time's  
Gone by  
I can't believe you're gone  
As i ride through the storm  
Running for my life i see no end  
To it all

They took her life as they  
Stabbed her through the heart  
And that was yesterday, now i'm on  
The run in arabia  
They stole my soul in the middle  
Of the night  
I've got to find a way, out of  
This nightmare in arabia

Nights are cold, days are warm out  
Here in this wasteland  
Running around 'round in circles  
Lost in the dunes of neverland  
I've got to drink, i need water or  
Else i will surely die  
How long can i take this, how far  
Can i go...

In my dreams you're always there  
I'm here all alone... i see your face...
