

# Lion's Share, On And On

Oh hear my call,  
want some changes to come  
But don't get me wrong  
I don't regret the things I've done  
So I push on,  
don't know what I am looking for  
Don't have the answers any more

On and on I go  
Everything I try to change,  
remains the same  
Round and round and back again  
Believe me, I need some changes

I can't believe,  
this is how it should be  
But I carry on,  
'til I am falling to my knees  
There's got to be some way,  
out of this misery  
Some way to go that I don't see
