Lion's Share, On And On

Oh hear my call, want some changes to come But don't get me wrong I don't regret the things I've done So I push on, don't know what I am looking for Don't have the answers any more

On and on I go
Everything I try to change,
remains the same
Round and round and back again
Believe me, I need some changes

I can't believe, this is how it should be But I carry on, 'til I am falling to my knees There's got to be some way, out of this misery Some way to go that I don't see
