

# Lion's Share, Scarecrow

I stand before you, the one you  
Search for  
Called out my name within your  
Dream  
Standing before you, i'm the  
Saviour, i'm the key  
You're locked inside and can't  
Get out  
I'm here to help you

There is nothing you can do  
You're the victim, you're the fool  
Caught in a nightmare  
Nowhere you can run  
But you will never be alone...

I am the scarecrow  
In your field of dreams  
I'm here to protect you

You've got to believe or else  
You'll fall  
Deeper within, inside yourself  
Stand up and fight it  
There's no time for second thoughts  
And if you want to break free  
I'm here to help you

There is something you can do  
you're no victim, you're no fool  
caught in a nightmare  
time to make a turn  
and you will never be alone...

I am the scarecrow  
in your field of dreams  
i'm here to protect you  
just like a scarecrow  
here inside your dream  
and i will protect you
