

Lionel Richie, Dancing on the ceiling

Man what in the world is happening down
Something's going on that's not quite clear
Somebody turn on the lights
We're gonna have a party
It's starting tonight
Oh what a feeling
When we're dancing on the ceiling 2x
The room is hot and that's good
Some of my friends came by from the neighborhood
The people startin' a climb the walls
Ooh it looks like everybody is having a ball
Oh what a feeling ... 4x
Come on!
Everybody starts to lose control
When the music is right
If you see somebody hangin' around
Don't get upright
The only thing we want to do tonight
Is go round and round
And turn upside down
Come on! Lets get down!
so come on! Let's get loose
Don't hold back
Cause ain't no use
Hard to keep your feet on the ground
Cause when we like to party
We only want to get down
Oh what a feeling ... 4x
Say what?
Can't stop now
Just getting started
Everybody clap your hands
Come on
Everybody let's dance
(Oh oh oh oh)
Oh what a feeling ... 3x
Baby baby
We gonna dance all night
Till the broad daylight
Keep on movin' keep on groovin'
Oh yeah
Oh what a feeling
When we're dancing on the ceiling
Oh what a feeling
