

Lionel Richie, Love Will Conquer All

Here we are out here, me and you
Reaching out to each other
Is all that we can do
Here we stand trying not to fall
There's no need to worry
Love will conquer all

Do you really want to know
Just how long will last
Will all of the bad times pass?
How can we make things right?
Ooh and why, why is the world so unkind?

We surely can find peace of mind
If we only see the light
Can't you see that?
Can somebody tell me why?
Why do our dreams go wrong?
Why can't we all belong?
Oh where did we start?
Oh and tell me when
When will we ever learn
There's nowhere else we can turn
The truth is in our hearts
Here we are together

Sometimes the road gets hard to travel
Sometimes the pains too much to bear
Sometimes when life seems to unravel
That's the time oh to say
We're gonna make it anyway
Can't you see that?
