

# Lionel Richie, Love Will Conquer All

Here we are out here, me and you  
Reaching out to each other  
Is all that we can do  
Here we stand trying not to fall  
There's no need to worry  
Love will conquer all

Do you really want to know  
Just how long will last  
Will all of the bad times pass?  
How can we make things right?  
Ooh and why, why is the world so unkind?

We surely can find peace of mind  
If we only see the light  
Can't you see that?  
Can somebody tell me why?  
Why do our dreams go wrong?  
Why can't we all belong?  
Oh where did we start?  
Oh and tell me when  
When will we ever learn  
There's nowhere else we can turn  
The truth is in our hearts  
Here we are together

Sometimes the road gets hard to travel  
Sometimes the pains too much to bear  
Sometimes when life seems to unravel  
That's the time oh to say  
We're gonna make it anyway  
Can't you see that?
