

Lionel Richie, Say You

The heart of the city street was beating.
Light from the neons turned the dark to day.
We were too hot to think of sleepin'.
We had to get out before the magic got away.
We were runnin' with the night
playin' in the shadows
Just you and I
'til the mornin' light.
We were runnin'
runnin' with the night.
You were lookin' so good
girl
heads were turnin'.
You and me on the town
oh
we let it all hang out.
The fire was in us
we were burnin'.
We were gonna go all the way and we never had a doubt.
We were runnin' with the night
playin' in the shadows
. . .
We were so in love
you and me
on the boulevard
wild and free:
Giving all we got
we laid it down
taking ev'ry shot
we took the town.
We were runnin' with the night
playin' in the shadows
Just you and I
girl
it was so right
so right.
Runnin'
runnin' with the night.
Just you and I.
Oh
we were runnin' with the night
playin' in the shadows
Just you and I. girl
it was so right. girl. it was so light.
