

# Liquido, I wan't try

I'm so sorry I'm willing to lose  
I'm willing to let you down  
oh, I'm sorry but it's hard to handle  
it's hard to handle love  
yes I remember all the bad and good times  
every day we had  
sorry for running off  
to find the right thing  
to find the right way : I WON'T TRY - I'M SORRY TO SAY  
GOODBYE  
AND I WON'T I WON'T TRY - I'M SORRY TO SAY SO  
Four letters so important for us  
for all to understand  
oh I'm sorry not a single one  
a single one would believe  
no I'm not glad I've never been  
I've never been so far. so unhappy I can't believe  
how stupid I have been : I WON'T TRY - I'M SORRY TO SAY GOODBYE  
AND I WON'T I WON'T TRY - I'M SORRY TO SAY SO
