

Liquido, Umbrella Song

"you and me
under a small umbrella
touch me
don't be no cindarella
you
and
me
taste me
we've got that fine tomorrow
kiss me
don't let me sink in sorrow
you
and
me

you give it all to me
it's simply you and me
you mean it all to me
it's simply you and me

you and me
can have it all or nothin'
say that you care
or feel
or something
you
and
me

you give it all to me
it's simply you and me
you mean it all to me
it's simply you and me

(da da da da)

you gave it all to me
it was simply you and me
you meant it all to me
it was simply you and me"
