

Lisa Andreas, Strong Every Minute

No matter where I am
I'm always thinking of you
It may be hard
But I need you to understand
That I don't often say what I feel
But now this is shared
From my heart
My love grows stronger every minute
And it won't never die
I want you to stay with me
Not just these days
But for all my life
Now when I look into your eyes
I can tell there's something wrong
You're holding back the tears
Couldn't bare to loose now
So I will make my feelings clear
My love grows stronger every minute
And it won't never die
You must believe
I'll always be there
For you
All my life
Oh please stay
Mmmm...
My love grows stronger every minute
And it won't never die
I want you to stay with me
Not just these days
But for all my life
