

Lisa (Blackpink), New Woman (ft. ROSALÍA)

[Zwrotka: LISA]

Here I go
Bangin' it, bangin' it, wanna crack these walls
Bangin' it, bangin' it, wanna echo through the halls
Pullin' up, fresh face, brand new día
Uh, Lalisa and ROSALÍA

Soak up, all new
So I cut
I go, go to the root
Off to bloom, yeah
Purple into gold
Pain has come and gone again
Walked through that fire
I rediscover, ah-ah

[Refren: LISA]

Hit it when I serve
Bitch, you better swerve
Revving up my, uh-uh-uh-uh-aura
Focus on my mind
Taking my time
I'm a new woman, woman
Bitch, you better swerve
Revving up my uh-uh-uh-uh-aura
Focus on my mind
Taking my time
I'm a new woman, woman

Face, eyes, body go wild
You want this?
I'm a new woman, woman
Eyes
I'm all about mind
You want this?
I'm a new woman

[Zwrotka: ROSALÍA]

(Uh, uh, mmh)
Por to' lo que soy, yo puedo frontear
No por lo que tenga siempre me la dan
Y mi energía inmaculá', bajo perfil (Y tú 'tás fuera)
Yo vivo pa' cantar, no canto pa' vivir
Nací pura, sí
Ni una era será un flop en mi porvenir
Putá, soy la ROSALÍA, solo sé servir
La noche estrellá', así sea
Hasta la madrugada, que así sea

[ROSALÍA, ROSALÍA & LISA]

Purple into gold
Pain has come and gone again
Walked through that fire
I rediscover, ah-ah

[Refren: ROSALÍA]

Yo le meto duro, sale bien seguro
Acelero mi uh-uh-uh-uh-aura
Yo estoy enfocá', no presiona na'
I'm a new woman, woman
Sale bien seguro
Acelero mi uh-uh-uh-uh-aura
Yo estoy enfocá', no presiona na'
I'm a new woman, woman

[LISA]

Face, eyes, body go wild
You want this?
I'm a new woman, woman
Eyes
I'm all about mind
You want this?
I'm a new woman

Gimme that, gimme that Alpha, yuh
Gimme that bigger, the better, ugh
Feeding you the bloom growing out ma sleeve
Kissed from a rose, rose, what a, what a meal
Bad luck a sucker, gotta make you tougher
Tryna say you suffer
Oh, don't blame your mother
Elevate, I liberate a new frontier
I'm a new woman
