

Lisa Germano, I Love A Snot

Shaky shaky hands
Shaky shaky legs
Shaky shaky stomach
When I am with you
Shaky shaky thoughts
Each and every one
When I am with you
Run tubby, run to

Tubby tubby butt
Tubby tubby face
Tubby tubby stomach
When I am with you
Icky icky breath
Each and every kiss
When I am with you
Where does it go into?

You're a snot
And I adore you
I love a snot, hey

Rotten rotten luck
Rotting rotting rotting
What am I to do
When I am with you
Run tubby run,
Run tubby run,
Run tubby run
Run tubby run

You're a snot
And I adore you
I love a snot

You're a snot
And I adore you
I love a snot, hey, hey
