Lisa Germano, I Love A Snot

Shaky shaky hands Shaky shaky legs Shaky shaky stomach When I am with you Shaky shaky thoughts Each and every one When I am with you Run tubby, run to

Tubby tubby butt
Tubby tubby face
Tubby tubby stomach
When I am with you
Icky icky breath
Each and every kiss
When I am with you
Where does it go into?

You're a snot And I adore you I love a snot, hey

Rotten rotten luck Rotting rotting rotting What am I to do When I am with you Run tubby run, Run tubby run, Run tubby run Run tubby run

You're a snot And I adore you I love a snot

You're a snot And I adore you I love a snot, hey, hey
