

# Lisa Germano, Nobody's Playing

These are your secrets  
Hidden inside  
Wherever you go  
Wherever you hide

Nobody's playing  
Nobody knows

Circles and circles  
Places to drown  
All that you feel  
Is you're going down

Everyone's wondering where you are

Circles and circles  
Holding you down  
All that you see  
Is you're not around

Somebody knows  
How this feels

Nobody's playing  
No one comes near  
No one can tell you  
What you won't hear
