

# Lisa Germano, Starfish

There was a starfish  
Then there was five  
She thought she did good  
Coming from arkansas

Militant pro-lifer  
Killing a soul  
Who just wanted  
To give a starfish

To her grandma  
To her father  
To her cousin  
And her best friend  
To her mother

You are bad, you are bad, you are bad  
Were the words she heard  
Those were the words she'll remember  
About their trip to jamaica

So, what you gonna do  
With that pro-lifer  
There was a starfish  
Then there was five

You were right, you were right, you were right  
We all know you were so right, you were so right  
It doesn't matter  
'Cause she doesn't know why not

Kill more starfish  
Kill more starfish  
Kill more starfish  
Kill more starfish  
Kill more starfish
