

# Lisa Germano, The Other One

When you fool yourself  
The other one  
When you fool yourself  
It's the other one  
The other one gets hurt  
Time it doesn't help  
And the other one  
Time it doesn't help  
And the other one  
The other one walks out  
Hold me  
Sacred  
Touch me  
Hold me  
That's better  
When you pull away  
The other one  
Really pull away  
And the other one... the  
Other one breaks down  
...The vision is gone with  
Anyone  
When you give it up  
The other one  
Really give it up  
And the other one  
The other one will too...  
Hold me  
Sacred  
Touch me  
Hold me  
That's better  
Hold me  
Stay close  
Touch me  
Don't leave  
That's better  
Hold me  
Sacred  
Touch me  
Hold me  
That's better
