## Lisa Germano, The Other One

When you fool yourself
The other one
When you fool yourself
It's the other one
The other one gets hurt
Time it doesn't help
And the other one
Time it doesn't help
And the other one
The other one
The other one walks out

Hold me Sacred

Touch me

Hold me

That's better

When you pull away

The other one

Really pull away

And the other one... the

Other one breaks down

...The vision is gone with

Anyone

When you give it up

The other one

Really give it up

And the other one

The other one will too...

Hold me

Sacred

Touch me

Hold me

That's better

Hold me

Stay close

Touch me

Don't leave

That's better

Hold me

Sacred

Touch me

Hold me

That's better
