

Lisa Lavie, Angel

Tell me am I ever gonna find my Angel This life.

I've got him on my mind again and though I search I never win. I'm told that if you seek you shall find

Extra, Extra this just in, I've been living a lie from the beginning. I told myself No no one else, now I
It's been years, still I'm here wishing waiting wanting more, What he said he would give me.
Now the nights turned today carved in words, Displayed, Framed "I vow to you I'm ready

Tell me am I ever gonna find my Angel This life.

I've got him on my mind again and though I search I never win. I'm told that if you seek you shall find

Any other day, any other time and place, you'd still be on my mind, but now I'm letting go, won't be
Yeah you tried to show me you love me, you need me though you just deceived me and now I'm tired
Time goes by slowly, love dies, inside my soul cries, i'm holding on by breathing. I know my heart for
If you could take all my pain away, My tears are streaming oceans on my face, No more dreaming

Tell me am I ever gonna find my "Angel" this life, I've got him on my mind again and, and

You don't know what you're doing to me, Baby

I know you don't care, but one day you'll see.

Today will be the day, tonight you will refrain, now that we are moving separate ways away from where

Tell me am I ever gonna find my Angel This life.

I've got him on my mind again and though I search I never win. I'm told that if you seek you shall find
