

# Lisa Lavie feat. Airtó, One word

I'm so into what you giving and it feel so good to me  
You're beautiful and critical it's hard to live without you, baby  
When I wake up in the morning all I want to see is you  
Heaven's blessing that he sent me unconditional and true  
Girl you mean the world to me and I hope you understand  
I will give you anything and I'll do the best I can to make you see what I see
