

# Lisa Lisa, I Wonder If I Take You Home

Take me home, Take me home

Baby, I know you're wondering  
Why I won't go over to your place  
Cause I'm not to sure about how you feel  
So I'd rather go at my own pace  
And I know and you know that if we get together  
Emotions will go to work  
And I may do something I might regret the next day  
And end up hurt  
Oh I don't know...

That's the way that I feel  
I'm so afraid of a one night deal  
I wonder if I take you home would you still make me love baby  
Because I need you tonight  
I wonder if i take you home would you still make me love baby  
Because i need you tonight

Your love is... take me home

Lately you've been expressing to me  
Just how much you want to make love  
I want it just as much as you do  
But will you still keep in touch  
You say I'm teasing but ought to have a reason  
Don't let your feelings fade  
Cause you will have me and sooner than you know it  
If you could only wait  
Oh I dont know...

Thats the way i feel  
Im so afraid of a one night deal, cuz sometimes  
I wonder if i take you home, will you still make me love baby  
Because i need you tonight  
I wonder if i take you home will you still make me love baby  
(home home, home home)  
Because i need you tonight  
I wonder if i take you home will you still make me love baby  
Because i need you tonight  
I wonder if i take you home will you still make me love baby  
(home home, home home)  
Because i need you tonight

And on the real side, if you love me (huhh)  
You would wait

I wonder if i take you home, (home home, home home)  
I wonder if i take you home

Your love is...

I wonder if take you home, would you still make me love baby  
Because i need you tonight  
I wonder if take you home, would you still make me love baby  
Because i need you tonight

I wonder, I wonder, I really really wonder (home home, home home)  
take me home  
I wonder, I wonder, I really really wonder  
take me home

Your love is...  
No Good!

Keep telling me lies & ur still not sure  
-in my eyes, our relationship would be more clear  
"no its just i feel that your rushing me"  
"ok, since you dont love me & dont want to be with me"  
"no its not that its just that im afraid of getting hurt"  
I dont know i just keep asking myself, Should i really take you home?  
What do you think?

take me, take me  
take me home  
take me, take me  
take me home  
take me, take me  
take me home  
home home, home home

home  
Your down on your knees,  
begging me please

take me home  
TAKE ME HOME!

Will you still love me,  
IF I TAKE YOU HOME!  
Will you still love me,  
IF I TAKE YOU HOME!!!!
