

# Lisa Loeb, Butterfly

Butterfly, close your eyes, butterfly  
Fold your wings  
Dream sweet dreams, butterfly.  
When you feel the sun warm on your face again  
You will fly  
Spread your wings  
Butterfly.

Butterfly, close your eyes, butterfly  
Fold your wings  
Beautiful things, butterfly.  
When you feel the sun warm on your face again  
You will fly  
Spread your wings, beautiful things  
Butterfly
