

Lisa Loeb, I Do

when i'm done with thinking, then i'm done with you.
when i'm done with crying, then i'm done with you.
when i feel so tired, then i'm done with you.
everybody feels this way sometimes, everybody feels this way -

and i do.
you can't hear it, but i do.
you can't hear it, but i do.

you're trying to convince me that what i've done's not right.
i get so frustrated, i stay up every night.
you ask me for an answer, and i'm so tired and i'm up in the air.
everybody feels this way sometimes, everybody feels this way -

and i do.
you can't hear it, but i do.
you can't hear it, but i'm feeling this way
just because you say

i will be ignored.
i will be denied.
i could be erased.
i could be brushed aside.
i will get scared, and i will get shoved down,
but i feel like i do because you push me around.

i'm starting to ignore you, i've doubted you so long.
i'm tired of over-thinking, i know you don't belong.
now i'm asking questions - no one pushes me around.
everybody feels this way sometimes, everybody feels this way -

and i do.
you can't hear it, but i do.
you don't seem angry, but i do.
i do.
