

Lisa Loeb, New Morning

Can't you hear that rooster crowin'?
Rabbit runnin' down across the road
Underneath the bridge where the water flowed through
So happy just to see you smile
Underneath the sky of blue
On this new morning, new morning
On this new morning with you.

Can't you hear that motor turnin'?
Automobile comin' into style
Comin' down the road for a country mile or two
So happy just to see you smile
Underneath the sky of blue
On this new morning, new morning
On this new morning with you.

The night passed away so quickly
It always does when you're with me.

Can't you feel that sun a-shinin'?
Ground hog runnin' by the country stream
This must be the day that all of my dreams come true
So happy just to be alive
Underneath the sky of blue
On this new morning, new morning
On this new morning with you.

So happy just to be alive
Underneath the sky of blue
On this new morning, new morning
New morning with you
On this new morning, new morning
New morning with you
