

# Lisa Loeb, Truthfully By Lisa Loeb

This isn't what I like to call flattery  
but I know that I believe  
that I found what's true  
that I found what's you

And truthfully, I  
I'm finding finally  
and truthfully, you  
you helped me find at last  
Truthfully, we  
are finding out what's true  
and truthfully, I  
I'm finding out it's you

Surprise cuz I was flying a plane  
Surprise cuz now I'm smiling again  
Surprise cuz you showed up with your parachute  
Surprise I'm kinda happy that you showed up

And truthfully, I  
I'm finding finally  
Truthfully, you  
you helped me find at last  
Truthfully, we  
are finding out what's true  
and truthfully, I  
I'm finding out it's you

Truthfully, I really can't explain  
I'm floating, I'm smiling again  
Truthfully, I can't ignore you  
Cuz I've been waiting for you  
Truthfully, I'm not desperate  
I havent changed my mind since we first met  
but the last thing I wanna do  
is to tell you that I'm right for you

And truthfully, I  
I'm finding finally  
and truthfully, you  
you helped me find at last  
Truthfully, we  
are finding out what's true  
and truthfully, I  
I'm finding out it's you...  
I'm finding finally  
Truthfully, you

I'm finding out what's you  
I'm smiling again  
Truthfully...  
Truthfully...
