## Lisa Lopes, The Block Party

Uh, uh, shake, uh, shake it down now Uh, uh, yeah-yeah-yeah, yeah, yeah one time Two times, shake it down now Remember way back in the day (hey hey) When the kids from around the way Used to come out and play And the double dutch bus Had you bumpin' on down the street Tryin' to move your feet While you shake your little booty To the groove of the beat (uh) To the beat To the beat (beat) You hit the corner and you stopped Hey y'all there's a party on the other block We hit the jackpot Jackpot (what what) And it's only 12 o'clock And the sun is hot Free soda pop We about to rock rock rock rock... What's your name Lisa And where you from 9th street Where you goin' To the party Can I come Uh huh Ooh...they're playin' hop scotch Come on Come on hop with me Come on Ooh...them boys is pop lockin' Come on Come on bounce with me We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs I'm a big city girl From all over the world And I do what I wanna do Right foot left shoe Then you take it on down Then you shake it around Bring it up Clap your hands Then you turn it all around We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs Remember when we did the wop (pop pop) And you used to make that head bop (bop) Like it would never stop (stop) And them other grown folks Gettin' busy with the gigolo Drinkin' Michelob It was 6am before they hit the road (uh)

Hit the road hit the road (road) Them fat gold chains and high top banks (hey) Run DMC was all you ever played (yeah) Shell toe Adidas No strings (mmm mmmm) There's somethin' cookin' in the pop About to hit the spot Boombox Play me some of that hip hop (hip hop) Hip hop hip hop hip hop..... What's your name Lisa And where you from 9th street Where you goin' To the party Can I come Uh huh Ooh...they 'bout to get it on Come on Come on bounce with me Come on Ooh...they on the dance floor Come on Come on rock with me We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs Come on Come on bounce with me Come on Come on groove with me Come on Come on rock with me Come on Come on hop with me We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs I'm a big city girl From all over the world And I do what I wanna do Right foot left shoe Then you take it on down Then you shake it around Bring it up Clap your hands Then you turn it all around We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs We were dancing all night long We were dancing all night long Music pumping and we're jumping And they played our favorite songs
