

Lisa Miskovsky, You Dance Just Like Me

Once was lost, now it's over
I greet the morning, I believe it was the light
Once was lost, now it's over, without a warning
I believe it was the night
'Cause I feel so lost when you're mine
You can no longer give me that sign
'Cause you dance just like me yeah
Just like me
I can't see 'cause, I'm blinded by the ocean
That you once gave to me
Why can't I be alone, I get a notion
That it wasn't meant to be
But it's easy to see when you're blind
You can hear me when I make that sound
'Cause you dance just like me yeah
Just like me
You can see with no eyes
You can feel that wind blow
Through the streets with no lights
When you feel that you're over and out
When you need someone there through the night
I can guide you through fire and ice
