

Lisa Stansfield, Changels

This is the right time to believe in love

Ooh yeah yeah yeah

Ooh oh oh

Everyone knows, if you don't demand it shows

That you understand the light shining inside us

It's more than tonight, it's forever more, it's right

When there's someone there through the night to hold you close

(BRIDGE:)

You know it's all that you'll ever need

'Cause you're seeing love, and seeing it clearly

There's no doubt about it, you just have to shout out

(CHORUS:)

This is the right time, this is the right time

I can see it in your eye

This is the right time to believe in love

Everyone knows it's a special thing, it's a love

That will never, ever be wrong, 'cause this love is strong

(BRIDGE)

(CHORUS x2)

So when you know that there's someone there you want

And you want him so tonight, more than you've ever done anyone

(BRIDGE)

(CHORUS x2)

Well do you believe baby

'Cause I believe baby

Do you believe baby

This is the right time, this is the right time

This is the right time to believe in love

This is the right time, this is the right time

This is the right time to believe in love
