

Lisa Stansfield, This Is The Right Time

(L. Stansfield/I. Devaney/A. Morris)

This is the right time to believe in love

Everyone knows if you don't demand, it shows

That you understand the light shining inside us

It's more than tonight, it's forever more, it's right

When there's someone there till the light, to hold you close

You know it's all you will ever need,

'Cause you're seein' love, and seein' it clearly

There's no doubt about it, you just have to shout out

Chorus:

This is the right time

This is the right time (I can see it in your eyes)

This is the right time to believe in love

Everyone knows it's a special thing, it's a love

that will never, ever be wrong, 'cause this love is strong

'Cause you're seein' love, and seein' it clearly

There's no doubt about it, you just have to shout out

Chorus x 2

So when you know that there's someone you want

And you want them so tonight, more than you've done anyone

'Cause you're seein' love, and seein' it clearly

There's no doubt about it, you just have to shout out

Chorus x 2

Well, do you believe, baby?

'Cause I believe, baby

Do you believe, baby?

Believe in love

Chorus
