

# Lit, Snowblind

it's so hard to feel my baby  
when i'm traveling around and your farbehind me  
god, i wish i could see my lady  
girl, i hope you're mine, cause

i'm snowblind  
i can't see a thing  
snowblind  
i don't wanna think  
snowblind  
yeah, i thought you could stay  
snowblind  
come off this stage

lookin' out my window, sometimes i wonder  
am i ever gonna get to where i wanna go  
maybe tomorrow maybe next summer  
girl, i just don't know, cause

i'm snowblind  
i can't see a thing  
snowblind  
i don't wanna think  
snowblind  
yeah, i thought you could stay  
snowblind  
come off this stage

move it around, i can't see double  
i feel it, don't know when i'm out of my mund  
babe, i don't wanna burst yuor bubble  
girl. you know the reason why, cause

i'm snowblind  
i can't see a thing  
snowblind  
i don't wanna think  
snowblind  
yeah, i thought you could stay  
snowblind  
come off this stage
