

# Lit, Something To Someone

"They say something I don't wanna hear  
Ringing like a shotgun in my ear  
But they don't know what I'm really aiming for  
Gonna leave a mark on society

Faster and faster my whole situation  
Falling apart, crossing my heart  
And I hope to live  
But something has to give

'Cuz I just wanna be something  
I just wanna be someone  
Someone who stands out in the crowd  
Mother would be proud  
Something to someone

These days getting shorter by the year  
Ticking like a time bomb loud and clear

Faster and faster the whole situation's  
Falling apart, straight from the heart  
Then I sing my song  
And I'll prove them wrong

I just want to be something  
I just want to be someone  
Someone who stands out in the crowd  
Mother would be proud  
Something to someone

Faster and faster my own situation  
Rolling along, proving you wrong  
And you can't believe  
What you see when you're lookin' at me...

I just want to be something  
I just want to be someone  
Someone who stands out in the crowd  
Mother would be proud  
Some thing to someone

I just want to be something  
I just want to be someone  
Someone who stands out in the crowd  
Mother would be proud  
Something to someone

Something to someone  
Something to someone"
