Lita Ford, Cherry Red

She don't want no toy boy, joy boy Licking all around her candy shop No fast gun, hit and run Shoot 'em up the middle and watch 'em drop

Bang, bang, get it up rock and roll Are you up for the hunt, now ready to go Mouth to mouth, cheek to cheek She's burning up, she's cherry sweet

All right All night If you think you can make it Think you can take it Gotta get naked Well, paint it

Cherry red Oh, won't you paint it cherry red Cherry Red Oh, won't you paint it cherry red

Now juicy Lucy Cream of the crop, she's in love with a chump She caught him, she's on it She put him in a hot seat, cooked him up

Big shock light 'em up, watch 'em glow Pretty little wild thing don't say no Lips to lips, skin on skin Pull the switch and let the fun begin

All right All night Do you wanna get lucky Wanna color the monkey

Then paint it Cherry red Oh, won't you paint it cherry red Cherry red Oh, won't you paint it cherry red Cherry red Oh, won't you paint it cherry red

Paint it
