

LITTLE BIG, Rave In Peace (In Memory of Keith

Rave In Peace
Rave In Peace
Rave In Peace
Rave In Peace

hey man,
now you free
let your mind
sweep through times

hey man,
now you free
start the fire
and breathe with me

Rest In Peace
Rest In Peace
Rest In Peace
Rest In Peace

hey man,
the sun will rise
light the sky in your eyes

hey man,
this ain't the end
came over now and take my hand

Rest In Peace
Rest In Peace
Rest In Peace
Rest In Peace
