

Little Big Town, From This Dream

I don't want to wake up
From this dream that I'm in
If I should wake up
I'm afraid it'll end

When I'm with you
Dreams come true
Life is full and so enthralling
I feel like I'm flying, falling
I don't want to wake up
From this dream

Lying beside you
Time standing still
Angels surround us
And I pray they always will
In this twilight
Holding you tight
All the world has disappeared
Everything I want is here
I don't want to wake up
From this dream

If a moment
Could be stolen
I would spend a life in prison
If each night my dream was this one
I don't want to wake up
I don't want to wake up
From this dream
I don't want to wake up
From this dream
I don't want to wake up
