

# Little Birdy, Tonight's The Night

But you know it's true  
I've given up on you  
Take you're time, hold onto all you have  
Cos I am holding your hand so tight  
Tonight

But I try so hard to make it up to you  
I can't wait  
I can't help myself  
Cos I am holding your hand so tight  
Tonight

So that I can hold you  
Ohh anymore  
So that I can feel you  
Oohh anymore

But if you want to travel the seas alone  
I won't wait  
I can't help myself  
Cos I am holding your hand so tight  
Tonight

So that I can hold you  
Oohh anymore  
So that I can feel you  
Oohh anymore

But you know its true  
Baby you make me blue  
I am lonely  
For tonight  
Baby come on

And hold me tight
