

# Little Boots, Symmetry (Feat. Phil Oakey)

You're the night to my day  
And the left to my right  
The blood to my veins  
And the dark to my light  
The stop to my start  
And the constant beat to my heart  
The sun to my moon  
And the stars in my sky  
The hot to my cold  
And the black to my white  
The way to my thunder clouds  
And the truth in my lies  
So tell me what you want to see  
Cause everything I want to be  
Is stare at your reflection  
Shining on right back at me

Chorus:

So love me in perfect symmetry  
Be my everything  
If you just love me  
In perfect symmetry  
Only you can make me feel complete  
In perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel complete  
So tell me your dreams and I'll tell you all my fears  
So ask me your questions, I'll tell you what you want to hear  
You're the high to my low  
And the give to my take  
The shadow I cast and the echo I make  
The calm to my storm  
And the lesson to my mistakes  
So tell me what you want to see  
You're everything I want to be

Chorus:

Just love me in perfect symmetry  
Be my everything  
If you just love me  
In perfect symmetry  
Only you can make me feel complete  
In perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel complete  
So tell me your dreams and I'll tell you my fears  
So ask me your questions, what you want to hear

Chorus:

So love me in perfect symmetry  
Be my everything  
If you just love me  
In perfect symmetry  
Only you can make me feel complete  
In perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel complete  
So tell me your dreams and I'll tell you all my fears  
So ask me your questions, I'll tell you what you want to hear
