

# Little Brother, Flash And Flare

haha, gotta have flash and flare  
flamboyant on y'all  
[[this is a little brother exclusive]]

(legacy)

9th-wonder-legacy-phonte

big rappers babble on "now that time'll come one day"

that shit'll never come like mail on a sunday

you lackin something, must be the flash or something, pure legacy and Tay will get ya frustrated, g

dont care how ya spit nigga, got Flair like Rick nigga

critics thought they sent me but i hold my flow

they tried to hate me but im dope on a rope,

doom style, get on stage and boo the crowd,

run my own race, hold my own like masturbation,

i let on but look soft, reaching for figures, -?- chips

im diarrhea nigga you aint ready for this shit

stop u dead in ur tracks whats f'in with that?

i wish a muh'fucker good shit im that fuckin good ahhhh

gotta have flash

(phonte)

uh, excuse me playa no i dont mean to bother ya, but just in case the beat is hittin too hard for ya, j

this is not a game, this a whole 'nother conference, outta leaking beats and thoughts is sharper

niggaz got questions like Barbara Walters, so called playas wont even talk to us, phonte is rap for n

then take it back to 98 on ya niggaz

when i was straight disabling niggaz, 5 mics, first place, cats-cradlin niggaz, i aint got time to play v

this is the single that radio aint played yet

Tay is not a safe bet, Raleigh niggaz tried to carry me but, im already at my apex! (HOLLA!)
