

# Little Feat, Feats Don't Fail Me Now

Your daddy says I'm no good  
Your mama says keep away  
I got to tell you truthful, girl, you can never make me stay  
I got somethin' up and down this road  
I'll bet you my last dollar, girl, I could give you love the most

Don't the sunrise look so pretty - never such a sight  
Like rollin' into New York City with the skyline in the morning light  
Roll right through the night (roll)  
Roll right through the night (I said, roll)

Semi-smokin' mama, you got to give me some  
I heard you got the biggest, ooo, the biggest truck in town  
Ride on through to Baltimore - you got to love me now  
Catch it to me gently - feats don't fail me now (don't fail me)  
Feats don't fail me now (don't fail me)

Don't the sunrise look so pretty - never such a sight  
Like rollin' into New York City with the skyline in the morning light  
Roll right through the night (I said, roll)  
Roll right through the night (roll right through the night)
