

Little Green Cars, My Love Took Me Down to the

My love took me down to the river to silence me
And when he left I could not speak
I lay on the ground
I tried to scream
But no sound did come out
I could only bleed blue

I waited for him til the frost did come
My skin, it turned blue and my body was numb
But my heart it burned out til it was no more
Still I wait on the ground
I don't know what for

There is a heart in here
Where is the heart in here

This love's killing me but I want it to
So long you're gone
Just like I always knew
But I'm still here waiting for you
But I'm still here waiting for you

My love took me down to the river to silence me
And when he left I could not speak
And what he said to me I can never say
Because it's breaking my heart to this very day

There is a heart in here
Where is the heart in here

This love's killing me but I want it to
So long you're gone
Just like I always knew
But I'm still here waiting for you
But I'm still here waiting for you
