

Little Mix, A.D.I.D.A.S.

[Perrie]

All day I dream about sshh... with you
All day I dream about sshh... with you
They say that it's overrated
Well they ain't doin' it right
All day I dream about sshh... with you

[Jesy]

Since I met you I been thinkin' all day
I been Googlin' ways to keep you entertained
It's been 3 weeks since we started to play
Now it's serious babe, cause what you do is crazy

[Perrie]

I never had somebody who could do them things
Make me say ooh ooh ooh
So come on baby baby, come on pretty baby
You're gonna get it tonight

[Jesy]

All day I dream about sshh... with you
All day I dream about sshh... with you
They say that it's overrated
Well they ain't doin' it right
All day I dream about sshh... with you

[Jade]

Slavin' in the kitchen iced you a cake
Then I served you a plate, but that ain't what you ate, no
We been busy doin' all Fifty Shades
While we listen to drake
We on that hot love and emotion

[Leigh Anne]

I never had somebody who could do them things
Make me say ooh ooh ooh
So come on baby baby, come on pretty baby
You're gonna get it tonight

[Jade]

All day I dream about sshh... with you
All day I dream about sshh... with you
They say that it's overrated
Well they ain't doin' it right
All day I dream about sshh... with you

[Jesy]

You got that goodie goodie and I'm addicted

[Jade]

I'm on that kissy kissy bang bang delicious

[Perrie]

All day I dream about it, baby so how's about it
You know I'm all about that

[Leigh Anne]

All day I dream about wait...
All day I dream about wait...
All day I dream about sshh... with you

Excuse me, do me or lose me
Get me to the bedroom, do your duty
Milkshake milkshake, bet you like some of that strawberry

Like a wave gonna come tsunami, wanna take this ride better hurry Cause me one, you there's a m

They say that it's overrated
Well they ain't doin' it right
All day I dream about sshh... with you
