

Little Mix, End Of Time

[All]

Come take my hand, I won't let you go
I'll be your friend, I will love you so deeply
I will be the one to kiss you at night,
I will love you until the end of time

[Jesy]

I'll be your baby, I promise not to let you go
Love you like crazy, now say you'll never let me go

[All]

Say you'll never let me go, say, say you'll never let me go
Say you'll never let me go, say, say you'll never let me go

[Perrie]

Take you away from here,

[All]

There's nothing between us but space and time

[Perrie]

I'll be your own little star, let me shine in your world
In your own little universe, make me your girl

[All]

Come take my hand, I won't let you go
I'll be your friend, I will love you so deeply
I will be the one to kiss you at night,
I will love you until the end of time

[Jade]

I'll be your baby, I promise not to let you go
Love you like crazy, now say you'll never let me go

[All]

Say you'll never let me go, say, say you'll never let me go
Say you'll never let me go, say, say you'll never let me go

[Leigh-Anne]
