

# Little Mix, Make You Believe

All:

Ah ah ah

Ah ah ah

Ah ah ah

I'll make you believe again

Perrie:

Down on your knees

She made you feel like you're worthless

You just don't deserve this, no no

How does it feel? To think that you gave all you could wish she cared, thought she would

Jesy/Leigh-Anne:

I'll be the ears you talk to,

The doors you walk through,

The arms to hold on to,

You're save with me

All:

Your hearts been stolen

Eyes weren't open

Trust is broken

But I'll make you believe again

Make you stronger

So we'll live longer

You've lost your faith in love

But I'll make you believe again

Jade:

Where do you run?

Who do you turn to, it burns you cause you though that she was the one

She threw it away

Left you with nothing but pain

You won't feel love again

Jesy/Leigh-Anne:

I'll be the ears you talk to,

The doors you walk through,

The arms to hold on to,

You're save with me

(save with me)
