

Little Mix, OMG

[Intro]

Oh my gosh, I did it again

[Verse 1 Jesy & Leigh-Anne]

I don't even know how I did that
Need a round of applause
Just like cream to a kitty cat
Lining up at the door
Maybe it's the way I work it
My beach bring the boys to the shore
Maybe it's the way I flirt
That they get hurt, they just don't learn

[Pre-Chorus: Jade]

I don't even know
Why they fall like dominoes

[Chorus: All]

Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for

[Verse 2 Perrie&Jade]

Them boys getting too ambitious
They should win an award
Got twenty more, plenty more fishes
But I still come first
Maybe I'm superstitious
I want to break this curse
They say they want to lay it on me
I'm their one and only girl

[Pre-Chorus: Jade]

I don't even know
Why they fall like dominoes

[Chorus: All]

Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for

[Bridge]

Oh my gosh, I think I did it again
Broke his heart, why does this keep happening?
Don't come crying when I say it's the end
I'm ringing the alarm, boy you better run on

[Chorus: All]

Oh my gosh, I did it again
He said I broke his heart, it keeps happening
I don't know why they always fall for me
Why they always fall for
Oh my gosh, I did it again
He said I broke his heart, it keeps happening

I don't know why they always fall for me
Why they always fall for

[Outro: Leigh]

Oh my gosh

Oh my, oh my, oh oh oh

Oh my gosh

Oh my, oh my, oh oh oh

Oh my gosh
