

Little River Band, I Think I Left My Heart With You

I hope it's not too late to call
I couldn't wait a moment more
I don't know what else to do
I need to ask a favor
Check behind each of your doors
Search throughout your rooms and halls
Secret corners, look there too
I think I left my heart with you
Don't forget to remember
Cos you're always on my mind
I don't care if I've lost my heart this time
If you find it keep it safe
Wrapped within your warm embrace
I could be wrong, that's nothing new
But I think I left my heart with you
Don't forget to remember
Cos you're always on my mind
I don't care if I've lost my heart this time
I'm not beggin' but
Maybe you could be so kind
To make a home for this heart of mine
Maybe I could live there too
I think I left my heart with you
Think I left my heart
I think I left my heart with you
