

# Little Sis Nora, FUN

Aaaayy  
fuck!

why you got to be so sad  
be so mad  
look around  
ain't that bad  
you have seat-belt  
when the las time you have fun?

why you got to be so dumb  
acting numb  
what the hell you've become  
you have seat-belt  
when the las time you have fun?

FUN  
When the last time you have fun?  
FUN  
When the last time you have fun?  
FUN  
When the last time you have fun?  
FUN  
When the last time you have fun?
